Khary – I've done some checking internally. I think we can make this work but am deferring to Ramona and ORD to follow-up with you on details. I'm also copying Howard Cantor, our acting RA for R8, whose folks will need to be involved.

Good luck in pulling the group together!

Bob: hope that all is well with you, wanted to follow up with you on our conversation last month about bringing Battelle back in to see you guys with their full report.
I've got my technical folks coming through Washington on 26, 27 February for other meetings and would love to bring them back by to see your team.
Let me know if either of those days works for you.
Thanks
Khary
